March 2024

President's Message

Bev Webb
"Endeavor"

"March is here — signaling the awakening of spring and bringing a revitalizing energy that inspires us to appreciate every blooming flower and lengthening day! It's a time for renewal, growth, and the anticipation of vibrant days ahead."

March is Woman's History month.

"Women's History Month pays homage to the trailblazers before us, builds hope and inspiration to us and offers an example of pride and excellence for younger generations." — Kron Moore

At our meeting, we have a guest speaker. It promises to be informative. Kurt Broz is an Environmental Planner for the Pala Band of Mission Indians. He graduated with his master's degree and then moved to California, spending much of his career working in government environmental work. For over a decade, Kurt has worked for the Pala Tribe doing a variety of interesting tasks: wildlife protection, habitat restoration, land use

planning, climate change preparedness, and environmental outreach.

Some of the current projects Kurt is focused on include a small habitat restoration site along the San Luis Rey River, a Comprehensive Land Use Plan, an economic development

program focused on green technologies, and running a Fuels Crew to prevent wildfire. For many of the Tribes in California, fantastic work is being done to protect the land for future generations and Kurt is looking forward to talking about this work and ways that the community can support the Tribes.

“The strength of the team is each individual member. The strength of each member is the team.” – Phil Jackson.

For those who do not know, Phil Jackson is a basketball coach. Found this appropriate as we end March Madness. And although these games soon are coming to an end, ours are just beginning - but all committees are up and running!

Projects have leads and most committees have appointed their representatives for the Federated Grant Fund committee. The first round of proposals for the Federated Grand Funds are due to Katie Burnham (Committee Chair) by April 1st. Each committee is to write their proposal with an Education component and may ask for up to \$1,500 during the year for either April or September (but proposals may be split for each date). The next deadline is September 1st.

Have you heard? Distributions have been made from the 2023 Home Tour proceeds. Each committee will be receiving additional funds in the amount of \$968.93. Prior to expenditures for

Because We Are Different

2nd Vice President/Membership Marva Murray

Hello, Ladies! I hope you are having a “Bluebird of Happiness” kind of day. Spring is around the corner, and our beautiful earth is once again waking up. We are awake also, to new projects, new friends, and new beginnings. In January, I announced our five new members, and at our February meeting we had **Elena Nowak** also join our fabulous club. We welcome you, Elena.

We held an orientation at my home for all the new gals on Monday, March 11th. It was a St. Patrick’s Day theme, and we discussed how our club delivers so many “pots of gold” and devotion to service through our projects. As a reminder, if a newer member is sitting by you at a meeting, please make certain that they feel informed of what is being discussed at a meeting. As you know, we have a lot going on, and it can be quite overwhelming.

I hope to see many of you at our March Happy Hour at Finch in Wildomar. At this time, I have 11 ladies attending. Please remember that you are welcome to bring a guest(s). This is another way to recruit some new gals.

Speaking of recruiting, we will be having another recruitment BINGO before our April meeting. *Hippity Hop to the BINGO BOP!!* I will send another Eblast information reminder. Our

April meeting will begin at 9:30 and we will play Bingo until approximately 10:15/10:20. Your guest may leave at that time or stay for the meeting. Last year we had 9 guests and 8 of them stayed for the meeting. A good time was had by all.

We are still open for anyone interested in being a mentor for our new members. The membership committee will be taking this on, but if you would like to join us, that would be great. 

Congratulations to our March birthday gals ~ Bunny Amendola, Carrie Jo Cardieux, Patti Castillo, Lorri Cerwin, Judy Ewert, Pat Nelson, Shelby Price, Sally Provenzano, Laine Gonzales, Tammy Rickman. I counted back nine months from March, and it is December. Lots going on, I guess!! Lol

I met my husband on the 71/91 interchange. He proposed to me three years on the 71/91 interchange!

I “made out” with 3 sons of preachers on a Log Flume ride. They took turns sitting in the back seat. At the top of the hill, there stood my dad, waiting. **He saw the whole thing!!** We were all in trouble when we got off the ride ~ needless to say!!!!

I am an auctioneer.

Lastly, don’t forget to share the wonderful projects that we are doing with friends and other clubs you are in, etc. When you speak *positively and passionately* about what we do, others can’t help but become interested and supportive. In other words, don’t keep TVWC a secret!! We can’t grow if we don’t plant seeds, so let’s get gardening and grow our membership.

Health & Wellness

Our first **Walk and Brunch** was a big hit. We met at the Duck Pond and walked in pairs – each at our own pace – once, twice or even three loops around the pond. Before our brunch at Chili's, we had a short H&W committee meeting and decided this was something we wanted to keep doing. We have some ideas for other places to walk and of course brunch. Keep an eye out for an eBlast letting you know about our next walk.

Thanks to everyone who has signed up for the **Tour de Murrieta Bike Race** on April 6th and 7th. There is still time to volunteer for either day. Remember that the cyclists reciprocate by working our Holiday Home Tour. If you have questions, please call, text or email me Kim O'Brien, 757-535-0964, obrienkim@gmail.com.

Crafters! We had our first brainstorming/planning meeting on March 12th. We have decided on three new projects 1) Yarn Crafts, 2) Card Making and 3) Jewelry making. We came up with lots of great ideas. Each project has a lead/co-lead and will be sending out information via eBlast as to dates / times.

Mastectomy Bags! Pat will be leading this project. This year they are making pillows and aprons. You don't need to be crafty or know

how to sew, but we all know how to cut out material, stuff a pillow and iron! Pat will be sending out information about dates and times she will be working on the bags.

So many new projects – thanks to everyone who has stepped up to make this all happen. It's so great to have more to report on than just the **Senior Lunches at Wildomar**. This month there was a special treat – not the kind you eat, HAHA! – Debi Stoffel brought her dog Rosie to the Senior Center. She made her grand entrance after birthday cake and ice cream. Of course, she was a big hit with everyone!

Education and Libraries Katie Burnham & Susan Nielson

The March 7 meeting was held at Evelyn Dial's home. We had an emotional and heartfelt discussion of the book: *When Breath Becomes Air*, by Paul Kalanithi led by Shelby Price. It was probably one of the most moving and sad books the group has read. Many of us strongly related to the struggle Paul waged and the sadness of that struggle.

The Education committee meeting followed B4L at 11:30. Katie shared the list of volunteers for the 3 libraries the committee works with. Katie reported that the In Kind Month was changed to June to accommodate the Advocates for Children committee and their need to collect school supplies before the start of June. The committee voted to have the In Kind be gently used children's books for the Western Eagle Foundation. Joyce Troyer suggested that we include Spanish language books when gathering the books.

Scholarships were discussed. Jan Emde reported that there are 2 applicants so far for HOBY and more to come. She also shared that one of last year's recipients will join us for the May General Meeting. Patti Castillo shared that scholarship applications will be read at Murrieta Mesa High School March 11, 13, and 19 from 4-6 PM. Debi Stoffel has received applications for the MSJC scholarships and Mary Lou and Gloria will help her read them. Debi is also leading the Career Pathways scholarship reading. She is contacting the current recipient to get a status update and that student may also attend the May General Meeting.

for the Federated Education Fund Grant that would provide Dr. Seuss books for the Murrieta Head Start Program. Last year we did not have a great response from club members donating the Dr. Seuss books, we used some of our budget to purchase the number of books needed. A TVWC sticker was put in all the books, and the committee members wrapped the books at the Christmas meeting. The books were available for the children to take home over Christmas break. If we choose to do this project again, possible funds could come from the Educational Grant Fund or committee funds.

Next B4L will be 3/7 at Debi Stoffel's home. 36015 Glenoaks Road, Temecula, Ca 92592 Directions will be provided with the meeting agenda. The Book is: *Lady Tan's Circle of Women* by Lisa See.

In honor of St Patrick's Day: What do you call a huge Irish spider? *A Paddy-long-legs.*

Books for Lunch By Shelby Price

One of the biggest themes in *When Breath Becomes Air* by Paul Kalanithi is facing death with the idea that even when dying, you can still find joy and purpose in life. In one section, Paul deals with the fact that his time is running out, and the thing that mattered.

The focus is on **life after Paul's diagnosis, and how he tries to move forward.** You can see in this true story that Paul's values and the way he sees himself changes once he realizes he no longer has the future he's always envisioned. As a student he was transformed "by the question of what, given that all organisms die, makes a virtuous and meaningful life" into a neurosurgeon at Stanford working in the brain, the most critical place for human identity. The book was very well received by the members of B4L and allowed each member To express how they felt after reading this book

by relating the theme to her own experiences. The Education Committee followed the discussion. Luncheon was hosted by Evelyn Dial which was very tasty and the lunch time allowed us to become better acquainted with our 3 new members.

Advocates for Children

Co-shiars Claudia Thunnell & Pat Nelson

Eight of our 14 committee members attended the first meeting of the year (2/26). Of course, we hope that more will be attending our future meetings. We have project leads, and our thanks are extended to them. Members present proposed and passed 4 motions: \$150 for Calicinto Rancho sleeping bags; up to \$250 for Pinwheels (prevention of child abuse); bring a motion before the general membership for community diapers and wipes; and to apply for the Federation Grant Fund for the purpose of buying backpacks and school supplies for the organizations we support.

Our In-Kind month has been swapped with Education, so our's is now scheduled for the May general meeting. This will allow the committee to count donations to see what is needed for the backpack usually put together in early July for students.

The TVWC calendar has been set for our second meeting - so mark your's as well. As stated above, it will be on Monday, March 25th, 10am at the Temecula Valley Museum, 28314 Mercedes St, Temecula. Our thanks to each member of the Advocates for Children committee, as well as all our members who support our goals!

As we were not able to make our Operation Smile blankets at the meeting, we

carried on with business as usual. the blanket project will be done at our next meeting, Monday, March 25th at 10am.

Shortly after this date, members will be receiving an e-blast regarding our

Pinwheel project which we do in conjunction with the Hemet Woman's Club. And, on April 9th plan to spend about a half day with us at the Diamond Valley Middle School. Maybe lunch after? A sign-up sheet for the pinwheel project will be at the general meeting.

Or, you can call Claudia Thunnell at 951-660-7507.

Historian Claudia Thunnell

A PAST TO REMEMBER A FUTURE TO MOLD

March is Women's History and I have chosen a lovely lady that has been our Past President for two separate years. In 1994 Nanette Jiminez was our 14th President and the Special Club Projects that year were; An 11passenger transportation VAN equipped for handicapped accessibility for the Temecula Old Town Senior Citizen Center.

Scholarships for local graduating seniors. Nanette chose to give it a whirl again in 2008 becoming our 28th President. Her theme was "Compassion – Communication – Commitment"

The Special Club Projects for 2008 were:

- Wounded Warriors Transportation Van.
- Scholarships fund for 15 High Schools Graduating Seniors, one Mt San Jacinto scholarship, and our 1st recipient to receive a Special Circumstance Scholarship.
- HOBY (Hugh Obrien Youth Leadership Conference) was awarded to 5 local sophomores.

The Wounded Warrior Foundation was designated as the recipient of a specially equipped VAN to transport servicemen for rehabilitation and treatment, with Paradise Chevrolet providing the van at Fleet Rate pricing.

Why do we join a service organization? To meet new people, make new friends, to learn what is going on around us. But most importantly to serve the Community in which we live. **It is pretty fantastic when a relatively small group of women can produce such high-powered results.**

NOTE TO REMEMBER: This is not just about our wonderful committed ladies that step into the role as Presidents, but about what all of our extraordinary TVWC ladies can accomplish working together.

ESO Chair Gloria Bockrath

The first ESO meeting of the year was held during lunch after the Education & Libraries business meeting on February 1, 2024. We had 12 people in attendance. Several were already members of ESO and three completed their Pledge form. The committee decided to meet every three months. Our next meeting is Monday, May 13, at 4:00 pm. Gloria will host the meeting at her home. Members will bring books to share, talk about books they read and what they thought of the books, provide insights and explanations of categories, facilitate filling out the forms, and generally help each other progress through the ESO levels.

Our guest speaker for the January general meeting was Reggie Maddox. She is the Chair of DeAnza District ESO. Her lively explanation of ESO was delightful. So many people have been afraid to join ESO because of the reporting requirements. Reggie made the report writing sound easy.

Epsilon Sigma Omicron is a General Federation of Woman's Club sponsored reading program. One of the goals is for members to continue their education by reading books of their choice in different ESO categories. This makes members read books they would not normally read, thereby sparking interest in new areas.

In our club, in the past, ESO was a project within the Education & Libraries Committee. Now it is a Committee in its own right. Anyone in the club that likes to read may join this Committee. Since reading the books is done at your own pace, for some it may take weeks to finish a level, for others it will take years.

I have been a member of ESO for 4 years and am still working on my Torch Level!

ESO is a "judgment free" zone for readers. We laugh when we say that at the meetings when sharing our reports to be used as examples, however, we do mean it. We nurture each other in reaching individual goals.

Happy Reading.

Arts & Culture Co-Chairs Debi Stoffel & Denise Miller

The Arts & Culture Committee welcomed some new and returning members at our first meeting in February 2024! So nice to see everyone's smiling faces! We are eager to start planning some great activities to help support our local arts and culture such as movie dates, attending performances at the Temecula Community Theater, JDS Academy, summer plays at Shakespeare in the Vines, Southern California Choral Artists concerts, and the Temecula Valley Symphony.

Currently we're signing up to volunteer for Cultural Days at the Temecula Valley Museum and looking into other volunteer opportunities in the performing arts.

Our committee has voted on applying for The Educational Grant Fund, April 1st, for Shakespeare in the Vines two-week summer camp for kids the ages of 8-18, which encourages learning in the performing arts in a creative and fun environment.
